WELCOME

We kindly welcome you to experience the holistic wellness services at Bhutan Spirit Sanctuary.

The Sanctuary specializes in Traditional Bhutanese Medicine. We have a collection of more than 60 Bhutanese herbs in the house which are used for treatments and herbal teas.

As a walk-in guest, you can make complimentary use of our Wellness facilities: an indoor heated pool with outdoor terrace and deck chairs, saunas (F/M), steam rooms (F/M), a yoga and meditation room, and a fully equipped gym.

Our in-house Traditional Bhutanese Medicine Doctors provide private consultations.
