Bhutan Spirit Sanctuary - Culinary Services for walk-in guests - 2026

The background of the entire page is a soft-focus photograph of several white ceramic bowls filled with traditional Bhutanese food. In the foreground, a large bowl contains a vibrant red chili cheese stew (chechu) topped with green onions. To the left, another bowl holds a creamy, light-colored dish, possibly a soup or a different type of cheese preparation. In the upper left, a bowl of golden-brown fried items, likely momos, is visible. The overall lighting is warm and natural, highlighting the textures and colors of the ingredients.
